“ *Although it has many years since high school for James and I, my fondest memories are when Jeanette use to knock the crap out of James to keep him inline with her way of thinking. She could give you a look that would make you pee your pants. She helped me with so many flowers from the Garland Flower Shop over the years it was nice to call an order. Jeanette was a good and kind hearted person it was a real priviledge to know her. God Bless her and the family who loved her.*
