“ *Cole, I don't know where to start. I guess I'll start from day one. We met we were young and you instantly became my best friend. We went through our rough patches but we always came out regardless as best friends. We loved each other so much. It took us 8 years later to come back into contact. We had our sweet children. Anyways, we all miss you and I know this was completely out of character for you. I just wanted to let you know that not a day goes by without us missing you or laughing at the memories with you that we had with your goofy self. Just know you put a HUGE impression on EVERYONE you came into contact with even if it was for a brief minute. Merry Christmas honey and we all love you more than ever.*

“ So saddened by this news. Cristi, I lift you and the family up in prayer. Losing a child, brother, father is just so heart breaking. Cole was so sweet and quiet. I could never get a rise out of him. Stay strong in your faith and God bless you all.
