“ I was a freshman when Jeff was a senior. He was the GA for our wrestling team and many was the hour we spent cutting weight with him driving us around the ring. I can still remember quite distinctly he and Coach Newell sitting in the office watching Derrick and I cut weight for a tournament they both already knew had been canceled. They were teaching us a lesson. We took a lot of trips around the state with him that year. I'm sad to hear he's gone.
