“ *My deepest sympathy to the family. Death was not a part of God's original purpose. He will soon undo the pains in your hearts. He knows every thing about Jeremiah to make this possible.*

(Psalm 139:13-19) For you produce my kidneys; You kept me screen off in my mothers womb. I praise because in an awe-inspiring way I am wonderfully made. your works are wonderful, I know this very well. My bones were not hidden from you, when I was made in secret. When I was woven in the depths of the earth. Your eyes even saw me as an embryo; All its parts were written in your book Regarding the days they were formed before any of them existed.
