“ Coming up on a year and I still can't fathom you're really gone. I don't almost jump and run to the door when I hear a bike out here now, but a white truck in Tish will get me every time. I miss you and I'm still pissed you left me behind.

“ I can't believe I'll never hear "sho nuff" again. Or your laugh. Or the bike. I just can't believe you're gone. Mom was saying about how when Patty 1st adopted you she sent a pic of you. I promptly took it to my room and she never saw it again. Patty said that was funny cause you did the same thing with mine. I miss you.
