So sorry to hear about Jerrie. She was a childhood friend back to the days we would play red light green light on the porch. She will always have a special place in my heart and was a great person. We are praying for your family and know one day we will see her again.

“ Larry, Jeff, BarbaraJean, and Carolyn,
Please know that I am praying for you often. You are all on my mind constantly. My heart is heavy, as I can imagine yours must be even heavier . But we all know she is with Jesus and rejoicing in her new home. We will all see her again some day, and that will be a glorious day. A song comes to my mind now, "What a Glorious Day"

It goes something like this:

*What a day that will be when my Jesus I shall see,
And I look upon His face,
The One who saved me by His grace;
When He takes me by the hand
And leads me through the Promised Land,
What a day, glorious day that will be.*

I wish I could be there with there with you all. I also wish I could have been there to visit with her, but I was not able too.

She was (is) a most wonderful lady, I love her and all of you!! May our Lord bring comfort and healing to all of us. Just want to let you all know our church is praying for comfort too.

*Love always,
(Cousin) Sheila*

“ *Jerrie was a favorite cousin. Her mother Lorene was there with my mother, Jackie in the hospital when I was born. We stayed a lot at Jerrie's home when we were little and my father was in Korea. Jerrie was always so funny and mischevious. We kids loved it when she took us up to Idabel's store and bought us a Dr. Pepper and candy. We love you Jerrie and are so sad you left but we know you are sitting around in Heaven with Fred and Lorene, and my Dad, laughing and out of pain.*
