“ As a kid I cannot remember a day that we didn't see Jerry and Peggy because we played with their kids. Our block was filled with kids and we all played outside at one house or another. We would ride horses and pretend rodeo right in their backyard. It was a huge treat to go to the rodeo each summer and know someone either in the actual rodeo or working it. We would see Jerry there every night! It was so cool to know a real cowboy. He was a great man and I know heaven gained a cowboy. Prayers for the family. I know he's gonna be missed by everyone that knew him. 🙏

I am so sorry for your loss. Where did the years go? I remember when I used to spend the night with you and Jerry after you were married. Especially, when you lived down the street from your Mom and Dad. My heart is with you and your family.

“ *The Cowboy's Prayer that Jerry loved to hear, ends with: "We ask that you help us to live our lives in such a manner that when we make that last, inevitable ride to Your great country up there where the grass grows lush, green and stirrup high and the water runs cool, clear and deep that You, as our final Judge, will tell us that our entry fees are paid. Amen."*

There's not a doubt in my mind that Jerry has already heard those words! Ride straight up and proud, my Friend. We've got it from here.

“ We are so sorry for your loss ! I always enjoyed visiting with Jerry about the good old days when we were young and competed in the relay races. We had lots of laughs about things that would happen . We had a few things in common . He didn't like to lose a race and neither did I. We both enjoyed talking about our grand kids and hauling and chasing them around to the Jr. Rodeos. In a way we lived our life's thru them. We had lots of good visits thru the years. I count it a privilege to call him my friend. He is leaving quite a legacy for his kids and grandkids to follow. Jerry was a good man always had a smile and a kind and caring way. Our prayers are with your family. We love your family, if we can help in anyway please let us know. Donnie and Brenda, Bart and Stacey Workman and Donna and Kelly Hardman and families
