“ *IT was a Joy working with Jerry- She always was one of those people who could get anyone to smile just from her smile!*

I feel blessed to have worked with such a great professional NURSE.

She always has funny stories too like the day she was bringing her "Ass to the farm at the gas station comments"

She was so very proud of her family.

“ Jerry was the most thoughtful person we knew. She always called to make sure we were ok, and to let us know how they were doing. Our thoughts are with Tex during this time. We know she is in peace now and no longer in pain. Peace and comfort be with you.

Bob and Virginia
