“ *I didnt get to spend enough time with my Uncle Jerry in my adult life, but I have many fond memories of him from my childhood. He was ALWAYS happy. He always had a joke waiting for whoever would listen to it and he always magically pulled coins from my ears! There is not one memory I have of him that doesn't bring a smile to my face. He was very quiet, yet always gentle and caring. Im glad I have those great memories to remember him by and the pictures from the last few visits with him. So grateful for the memories of him and my dad together.*

Aunt Liz. Gail, Matthew and the rest of the family, please know my dad and are here for anything you guys need and we love you all very much! ♥♥♥♥
