“ *daddy, i have so many memories of you. enough to last a lifetime for sure. i love you dearly. a few memories: i will never forget the time that we were going to see the grand canyon and you said for me to tell them that i am 12 so that i could get in for free, but me and mom started laughing because i really was 12. LOL.....LOL..... i remember when we use to stop in denison at that little rest area and me, you and mom would enjoy snacks and me and you would play in the creek and walk the little walkway across it and back. you will be missed in body, but you will remain alive in our hearts, our souls, and our minds. until we all meet again and we will....just know you are dearly loved and never forgotten.*
