“ *I'm so sorry for everyone's loss*

He was an awesome person, hard to live with at times but a great friend. Was my roommate and closest friend for several years. You'll be missed but never forgotten thanks for all the laughs.

“ *I regret the pain and sorrow that Jim suffered here on this earth. I will forever remember him as a very young little boy sweet, and with abundant energy. I will remember the time so well that my daughter baby sat with him, the next week he asked his Daddy for a rose to give to her. He was so such a sweet little guy and we will miss knowing he is around.*

Hi, my name is Jack Elliott. I'm from Odessa Tx and Jimmy was my best friend from 4 years old into out Junior year of High School. Even when he moved to Midland we were great friends but we lost contact before his dad passed away and I was so shocked to find this obituary when I went to look for him. I know this is an old listing but is there anyway you can tell me what happened? I hadn't spoke to him in so long and I saw him in Midland sometime between 2009-2012 but it was quick.

“*Kristi, Misti, Michelle and family. My heart and prayers are with you today. Jimmy was a sweet man and great, loving father. Justis wants you to know how much he enjoyed working with Jimmy. I will never understand why those so young must leave us so soon. Please know how much we love you all.*
