“ I met Jimmie when I was hired at George Washington Elementary school in 1978 and we quickly became friends. Jimmie was a delightful person and quick to help me settle into "school life." After I left GWES to work at "the big house" Jimmie and I kept in touch for awhile, then, sadly, lost that connection with our busy lives that rarely intercepted. [Except running into each other at Walmart on occasion!] My condolences to her wonderful family. She loved them so very much. I am saddened by her passing and will miss her just knowing I will not see her again. Rest in Peace, Jimmie. Martha
