“ *Jimmy was a good friend. Even tho in years after school we never seen each other very often I always thought of Jimmy as part of the family. I remember the times our family would take us to church and sunday school. I like to make people laugh and Jimmy would laugh at my jokes even if they wasn't funny. There is times I think about days gone by and wish I had stayed in contact with all my Cobb friends. I got to visit with Jimmy a few years ago and he still had that same laugh. He will be missed not only by his family but his days gone by church friends. Even if at the time we didn't want to be there. But I can proudly say I'm glad I'm there now. May GOD bless and keep each one and give you comfort and peace. IN JESUS NAME.*
