“ Hey bestie! I sure miss you, I would say you don't know what you mean to me, but I know you know how special you are. You and Danny have always been there for me and Drake, through all the Good and bad. Everytime I walk into my kitchen I see all the fat chef things you gave me, and it makes me smile. I will never forget you. Your always in my heart. I love and miss you Jamie. Love always, Your "mean girl".
