As I was looking to see if there were any homecoming events planned this year in Kingston for the 1983 grads (40 years) I see that Jimmy passed away. I have the sweetest memories of him as he was my first love ❤️ he was the star quarterback and the sweetest boyfriend. My family moved back to Canada in 1980 and we lost touch. I'm sending hugs from 🇨🇦 Canada and my condolences even if they are a few years late. I sure did love him but too young for my parents to leave me behind 😭. RIP Jimmy ❤️

“ *The best athlete to ever come out of Kingston he deserved*

so much more than the school ever gave him credit for he should be shown in the trophy case something I always respected but now see as a reminder of how bad life was back then and how corrupt our educators were because this man had so much talent that to not put him in the trophy case instead of the ones that the school did at that era is laughable
