“ *I am saddened to hear of her death. Mrs. Miller was my favorite elementary school teacher. Even though she was sometimes tough, she cared so much for her students. It wasn't just her job, she actually wanted us to learn! She definitely touched many lives. Although no words can really help to ease their pain and loss, I want her family to know that they are in my thoughts and prayers.*

“ *There is not enough space to express the wonderful attributes of Joan Miller or list the many lives she has touched in a positive way. As her student, her nurse, and her friend....she will be greatly missed.*

“ *I am so saddened to hear of Joan's death. I enjoyed working with her at Bennington for 9 years and as Justin's teacher our 1st year there, she helped to make his school change so much better. We shared a lot of good times together. Our prayers are with all of the family and may God comfort you at this time.*
Sincerely, Debra and Justin Shrader
