“ *Jerry, Brenda, Becky and Barbara,*

I am sad for your loss. As I only met JoAnn a few times she really touched my life with her sweetness, sense of humor and her love of life. The first time they invited us into their home, she made us feel like family. I felt as though I had known Jerry and JoAnn my whole life. The visits that we shared are special to me. I am forever grateful that that I was blessed to know JoAnn. Heaven has a beautiful new angel. My prayers are with your family.

Love,

“ *Jerry, Brenda, Becky and Barbara, my deepest sympathies to you and the Family in this time of loss. I am deeply sad about this news. Mark Twain said "To get the full value of a joy you must have somebody to divide it with" That so applied to JoAnn and me. We shared many great and fun times together growing up. The phone contact and conversations these last years were just as if the miles, life, and time had never interfered with our friendship! We are thinking of you all and hope you will find comfort in special memories. God Bless you!*
