“ It seems like only yesterday that Johannah was playing softball with Neely. It gave me so much joy watching them play. They were such silly young girls and I will never forget those times or Johannah. My heart hurts for all of you but fortunately you have a part of her in Maximus. I hope to one day be able to share some of my softball memories of his mom to him. God Bless all of you - you are in my prayers.

“ There are so many memories that I could share but I would need more space to fill them and even then it would, never do justice to your beautiful soul.

The one I'll never forget was a 4th of July that I spent with you all we went to lake Murray swimming had a blast , all of us and Johnny, I just remember jumping off the banks and the rocks around, carefree and full of laughs, we had several times like this and spent time at the lake but for some reason this day just stuck with me more I guess it was the night time that made it more memorable. I remember we were so excited to do fireworks that night, I remember your mom telling us we needed to go inside cause there was a bad storm coming and your dad was like will get done before it hits vicki, as soon as he said that and leaned over this massive gust of wind came out of nowhere and blew the tube over with the artillery shells in it ..that unfortunately fell pointing at us I just remember picking you up and running towards the house and you giggling up a storm as I ran with you.  
Johannah I love you my sweet cousin and I'll always cherish these.
