“ I was just looking up John and Modra online and saw that John passed away in 2019. I am so sorry to see this. My partner Jerry Calvert (who passed away in 2020) and I were set up in Quartzsite, Arizona back in the late 90's when we met John and Modra. They had a food truck. I have many pictures and memories of those fun days. My heart goes out to Modra and the family. RIP John.

“ I went to school with John, I remember we used to clean up his car, I think it was a white Ford Falcon, when there were band competitions at Southeastern and then skip school so we could go chase girls at the college. He was a good guy!
