“ *Buzzie and I were the best of friends as adolescents. At 13-14 years old we were inseparable, doing everything together. We enjoyed time together hunting and doing chores at his grandparent's farm home. He was a great friend in those care-free, happy times. At 16 I enjoyed cruising Louisiana streets with him in his 57 Chevy. I last saw Buzzie at his high school 50th reunion in 2014. May God bless Buzzie.*

“ *I remember picking up "Buzz" hats for him in Utah, and also how he got the nick name Buzzie. I am so sorry to hear of his passing.*

“ *Buzz was our dearest friend. He was a joy to be around and always had a smile. The Tom Moss family was Buzz's family if he needed us or we needed his cheer. Bless his good heart for he was always our blessing. Knowing this man was a highlight of our life. Let it be known, he will not ever be forgotten as long as Martin Moss and I, Judy Moss-Niemeyer, live.*
