“ *I am so sorry for your loss he was a very good friend we spent our senior year in high school with the Civil Air patrol. Did some camping at the lake. We lost touch over the years and reconnected last year on the phone and how ironic our lives were so similar I also drove 18 wheelers for 25 years I will miss talking to him over the phone. I was hoping to get back to Durant this summer to see him in person but the Lord needed another angel*
