“ *Uncle Markie came into my life when I was 15. He was my then step dad's best friend and our family spent a lot of time together. Uncle Markie was always cracking me up. He had a very infectious laugh and smile. I know he had such a big heart and loved his Megan very much. My heart aches for his baby girl but now he can watch over her as her angel. Rest in peace Uncle Markie!*

“ *Mark was a friend of my older brother Mark, but I member him well. As a kid growing up in Durant, part of Mark's aura was waiting to see what kind of car he'd be driving next! I recall a BMW, a Panterra I believe, and others.*

Mark was always kind to me, I never saw him angry. I'll treasure that part of him in my heart always.

“ Mark was always calling me and asking me if i wanted to hear a funny story. He was always keeping us in stiches in the A.R, department. If he wasnt sharing a funny story he was showing pictures of his family, or talking about that roasted garlic...He will be greatly missed by myself I was his A.R. girl for many years. Many prayers for his family.

“ I lived across and down the street from Mark growing up. I was a few years younger and he and my brother, Tom, were good friends. I remember when he got his 2002 BMW and let me drive it. After moving back to Durant a couple of years ago I'd go by and have a beer with Mark and visit. I'll miss him!
