Judy was so precious. Our family grew to love her, but our sister Opal Lee Langham loved her like another sister, as if Opal needed another sister, she already had 8 sisters and 9 brothers. Our mother always said "there's always room for one more". I just wanted to say for Opal, how she loved Judy and her family and we all pray for comfort for Judy's entire family and loved ones. May God comfort you all in the days ahead. With love from all of Opal's family...by Pat Fraze

“ I wish I had the right words to say but with one of your parents passes it's hard to express the pain. Judy and my sister was Friends back in grade school as well as Vickie and me. We had some really fun times growing up together. Great memories. May you find peace with your beautiful family memories.
