

Judy Anne Davidson

November 7, 1967 - October 3, 2023

Durant, OK- Judy Anne Davidson was born Tuesday, November 7, 1967 in Ardmore, Oklahoma to Paul Edwin Davidson and Esther Lee Bolt. She passed from this life on Tuesday, October 3, 2023 in Durant at the age of 55.

Judy was more than one of a kind. She would go to the full extent in everything she did, good or bad. Her heart and soul were barely big enough to contain what she offered to others. She was more in tune with nature and animals than imaginable. The love and friendship she gave was massive. If you made a friend in Judy, you had a friend for life. A friendship that is truly unconditional. One thing that almost everyone will agree on is if you did not want to hear the truth, then don't ask Judy. Judy loved family with all aspects she could possibly muster. Not only family felt this strength of love and friendship but any animals she came in contact with would have to endure the love she has. Ask all the cats in her neighborhood.

Judy not only loved family, friends, and animals, but she also had a vast love for the outdoors, nature and any place involving bodies of water. Judy's love was not overpowering but absorbed by all around her. She was such an amazing woman, daughter, sibling, mother, grandmother, friend, and all out person. The void left by Judy is more than a hole.

Judy was preceded in death by her mother; and the love of her life James

“Buster” Foster.

She is survived by her son Christopher Dakota Davidson; 2 grandsons Ryker and Kota Davidson; 8 sisters Mary Gideon “Cricket”, Delores Davidson, Kathy Mayes, Somatha Dalrymple, Shelby Davidson, Lois Goodman, Sarah Davidson, and Amie Hobbs; 3 brothers Johnny Davidson, James Davidson, and Pete “Paul” Davidson.

Cremation arrangements were selected.

I Did Not Get To Know Her Like Everyone Else But I Can Tell You She Was A Sweet And Beautiful Lady, She Always Stopped To Talk With Me While She Was Out Taking Walks. Always Had A Smile No Matter How She Felt. My Heart Goes Out To All Her Family . She Had A Beautiful Love For Cats We Talked About That Too Cause I Have Two Cats I Love.
