Sometimes a teacher can briefly forget a student when they have had so many over the years. I never forgot Kaitlyn. She was a very special little cute blonde girl in my 4th grade class. She was so smart, beautiful and funny. I still have a tealight candle holder she gave me as a teacher gift one time. Tomorrow I will place a candle inside and light it in memory of her. Keisha, I am praying for you and your family. I can't imagine your pain.
