“ *It has been a very long time since I last saw Karen. We were high school friends and she was a dynamic person who left a permanent impression on me. I thought of Karen last Sunday, not knowing of her passing, as I drove past the clinic on Evergreen where her father practiced; a lovely image of her beautiful young face popped into my head...she was wearing those sweet cat-eye glasses that she wore in high school. And who could ever forget that big, gorgeous smile. I realized after hearing the news of her untimely death what a gift that had been...to see her so clearly once again, though only in memory, as a vibrant and healthy young woman full of life and joy. My heartfelt condolences go out to Karen's family during this time of loss and grief. May God comfort you and lift you up now and in the days ahead.*

“ Thinking of all of our good times together. Not long ago your Mom and I were laughing about the bread and water.....always loved you. You did not deserve the last few years struggles. I'm glad your pain is gone and you are in the arms of our Lord.
Love you sweet cousin,

“Karen was my best friend during my college years. We shared so many memorable times at her family home with Michelle, Doc, Kat, Pam & Paula. I remember how hard she studied to become an R.N. She loved Michelle and her Family. She was one of the most beautiful people that I have ever known. I cherish the memories that we made together. I am so sad that she is gone. May God tenderly hold her in the palm of his hand and uplift her Family during their time of grief.
