“ Kathy was a year ahead of me in school at Bokchito. I cannot think of her without smiling; she was the cheeriest person I have ever known. Although I haven't seen her in several years, one thing I know: she loved

her family. I know you have many wonderful memories of Kathy to treasure, as I do.

God bless you all.

“ I was so sorry to read of Kathy's passing. I saw her a couple of years ago and she still had that wonderful smile that just lit up the room. I have known her since she was a baby. The whole Brackett family were dear friends of ours. My thoughts and prayers go out to the entire family. God Bless You
