“ Kathleen was a lovely lady.
I enjoyed all the family reunions she hosted.
I still have the Raggedy Ann and Andy dolls she made, with her
autograph on their butts. She was a sport about that.

“ She was a wonderful mother in law. Always caring for mine and
Carolyn's welfare. She the best with the grand kids, taking them on
many RV trips and giving them great memories of Grand parents. I
will miss her very much. Gary Wullenwaber
