“ *Happy New Year my LOVE! I miss you more than words can say, but know I LOVE YOU, LOVE YOU, LOVE YOU! You will always be in my heart, on my mind and in my soul.*

“ *Mike and Family: I am so very sorry for your loss. Ms. Kay was one of the nicest persons ever. She reached out when I first moved in next door, and continued to check on me periodically. Having just stopped to speak to her and Pat chatting on the back patio this week, it is so hard to believe. Everyone's world is going to be a little less bright without her.*

“ *Just want you to know we are here for you. Kay will be missed by so many. I remember when we started AHE and I work out of you home office and she always made me feel like family. Praying for comfort and peace for all of you.*

“ I am so sorry this is so unreal. I am sure you are numb at this point. I will always remember her laugh, her horseradish ham sauce, her willingness to take care of newborn Ashleigh, her love of cats and you! Our prayers will be with all your kids and all the families as you grieve together.
