“ I thought Katy (kay) as my other grandmother. She was the sweetest and dearest woman i knew and always let me stay with them when I was having trouble.

I haven't seen Kay in a long time ever since they moved away from Mill Creek but i always had her and Katy, Samantha, zandra, and Joe on my mind. They were my second family. Kay will be missed deeply and always remembered.

I dont know if any of you remember me but I hope Samantha or Zandra reads this sometime and will contact me.

With all my love,

Morgana
