“ *The boys and I are so sorry to hear about Kelly. I saw him several years ago by chance at the gas station on my way to a shift at the hospital and we spoke briefly. It was so nice to see him for those few minutes. I know that on Friday Gran, Grandad, Granny Dawson, Gale, and Debbie were there huge smiles, warm embraces, and anxiously waiting to hear of you all! I am certain that he would never want you to be hurting by his departure, and that he is always loving you from a distance he just has wings to help him with the journey. Again, Jayson, Jakob and I are so sorry for your loss and we pray for you in the coming days.*
