“ Kenneth "Ken" Drummonds

“ Ken was one of a kind. He was a tremendous teacher, mentor, coach and friend during my high school years at Crowder High. I was not the greatest athlete so he saw to it that I was to be manager of the basketball team. This gives me the fantastic opportunity to share in all of the sports activities and learn to love him as a coach and friend. One thing was sure about Ken Drummonds, he loved his family, his student and his God. I am very fortunate to have spent my high school years with a man who cared for me as though I was his own son. My father had passed away my freshman year and Ken knew just how to help fill the void in my life. It will be a wonderful day when I see him again in heaven. All my prayers and love to the family.

“ Ken Will forever hold a very special place in my heart. He hired me to work for him at Shamrock Camps in Eufaula, Oklahoma in 1970 as one of the coaches then kept me and Dixie working the rest of the summer as "go-fers", counselors, corralling kids in the dorms, transporting sick campers to the emergency room in the middle of the night or whatever was needed. Teri was just a little girl at the time and we loved her as well. Ken remained a friend through the years long after those camp days were over and I will always cherish the memories of his fun loving nature and will miss his phone calls just to check in and to remind us that he loved us. My heart goes out to Susie and to Teri and to the rest of Ken's family.

Mr Drummonda taught my kids Gene and Stasha Whitley in school at Colbert. A very nice man. So easy to talk to. You could tell that he cared about the kids at school and he enjoyed teaching.

“ I first met Ken in 1976. I was newly married, new to the Durant area and didn't know anyone. He always made me feel welcome and I loved going to the Drummond's house. He always cooked and made great desserts! Over the years he was always happy and smiling when I saw him and ALWAYS had a good word to say. He loved his family so much and they loved him. He will be greatly missed. Now we have another angel looking down on us from heaven. Love you Ken. Praying for comfort and peace for the family.
