“ I am so sorry for your loss. I didn't know until today that he passed away or I would have attended his service.

Ken will always hold a special place in our hearts for his role (investigator) approx 20 years ago. He was relentless doing what was right - state case against Doug Parks, who was found guilty and sent to prison.

I wish more people were like Ken - a forever Angel that was aligned with us during a tough time. I pray you have precious memories to reflect upon and have peace knowing you will see him again some day.
