“ I didnt get to see Grandpa near as much as I would of liked to living so far away,although last October I was Blessed to see him and hear his one of a kind laugh,smile and oh yea confront the man in is room about politics. I was talking to my brother Tim about Grandpa and we both know that our inner strength of having integrity ,pride and work as hard as you want to get what you want with respect and honor HAD to come from Grandpa,I am proud to say that most everything I am,had something to do with his heritage ,for without him Kenneth E Stickler wouldnt be here. God has Blessed us all having him in our life.Now Grandpa is being Blessed with getting to meet God in person. We LOVE YOU GRANDPA

“ We will all miss him very much. I loved him dearly. He always made me laugh. He is now in a place where he can have his cup of coffee and talk to his friends every day again.
