

Kenny Compton

November 25, 1953 - February 2, 2022

Kenneth Ray Compton was born Wednesday, November 25th, 1953 in Durant, Oklahoma to R.C. Compton and Letha M. (Moore) Compton. He passed from this life on Wednesday, February 2nd, 2022 at his Calera home at the age of 68.

At a young age, Kenny grew up in many states traveling with his family for work. His dad was a plumber/pipefitter and worked all over the country. At the age of 13, Kenny was accidentally shot and has been in a wheelchair. Though he was in a wheelchair, Kenny never let it slow him down. He was always eager to do things that anybody else could do and always had a good attitude. As a teenager, Kenny loved driving fast cars and boats. His brothers can tell many stories about Kenny and how he enjoyed “living”.

Kenny worked for the Durant Water Department for ten years, where he built meters and worked his way up to office manager. He would later work for Southeastern Electric Co-Op for twenty-six years retiring as the head cashier.

Kenny enjoyed watching western TV shows such as Gunsmoke, and Barnwood Builders. He was an avid fan of OU football and rooting for his team. Kenny loved being outdoors, mowing his lawn, riding four wheelers and bow hunting.

Kenny married Judy Whisman on April 27th, 1989 in Durant, Oklahoma.

Together, they were passionate about spending time with family and going camping. They attend the First Church of the Nazarene in Durant.

He was preceded in death by his parents and grandparents.

“ *I was so very sorry to hear of Kenny's passing. He was always good to me and helped me a lot when I first started to work at the Co-op. He was excellent with the customers and he was so much fun! We will have Kenny stories forever. I'm sorry I couldn't attend his service but know he was a great guy who loved his family more than anything!*

“ *Watching Kenny’s video brought back so many memories. Met him in junior high, he was a year older than me. He was the love of every girl in school, just had that personality and of course the good looks. Remember him hanging out with my brother. Remember the bottle rocket wars at circle beach, his yellow El Camino and him hanging out with us at our automotive shop! Of course this all was in his younger years. He was such an amazing person, always up beat. Had a lot of fun times. I know he is entertaining everyone in Heaven about now. Jimmy, to you and his family I am sorry for your loss. You are in my thoughts and prayers. REST IN PEACE KENNY!!*

“Kenny was a hardworking and fun loving man. He didn't have an easy life because of being in a wheelchair but he was willing to try to do whatever he wanted to do. He always gave 110% to any job he was doing. He loved to take road trips with Philip and I and as long as we had a big Sonic drink, we had a good time laughing, talking and enjoying the scenery. He loved to tease me and I would tease with him. He loved Judy and his family and always tried his best to see they were taken care of. He was a wonderful man and it was a honor to have known him. I will carry all the memories of him with a smile on my face and be thankful for the times I had with him.

Philip and Kenny became good friends discussing the world events, old times, business and just sitting in their chairs out by the lake and enjoying time with each other.

Love, Philip and Charla Rustin
