“ *You were the friend I never knew I needed! One memory of us is when me, you, and Harley went on a banner run to Denison. You sat like a passenger seat princess and we sang our lil hearts away to Sinner Like Me by Savannah Dexter. You were a true loyal friend. You treated everyone with the same kindness and respect. You were a fair person. You were my sponsor and I'm so sad our time has been cut short. We were supposed to go get our key tags on birthday night this month and now I'll be getting mine alone. I'm going to do my absolute best to make you proud. I love you so much my sweet friend, til we meet again!*

“ *Kimberly, my first encounter with you was at Women's Encounter North. We were sitting around talking and laughing. I went and sat next to you on your bunk. I asked if you knew Jesus as your personal Savior and Lord. I held your hand as we prayed, asking Him to be Savior of your life. Kimberly, you have began your first 10,000 years with your Lord. Looking forward to meeting again.*
