“ KJ I will always remember your wonderful smile and you laugh! I worked with you at Choctaw from 1988 to 2001. I always love listening to your stories and jokes. While I haven't seen you in years, I know you are greatly missed by so many. God bless your family. I can hear your laugh and imagine the smile you have. I remember you holding the door of the time clock room making me think I got locked in every time . And the pranks you and Coleman pulled on me. Sending lots of prayers to all your family. You are remembered with many smiles.
