“ I was one of Kyes's 5th grade teachers and he was very special to me. We shared a love of many things but especially Harry Potter. This is a picture from our 5th grade Harry Potter day in May. I am so thankful I had the opportunity to teach him. He will be missed greatly by so many.

“ Kye was definitely a highlight for my Akon this year. He was the first fellow RWBY cosplayer I met Saturday morning and we took this pic together. I told him and Brian about the RWBY meetup happening later that day and was so glad to see Kye there. He was a big hit! Everybody loved him. We'll miss his spirit and passion, one that we all share as fellow nerds in costumes. I had hoped to see him at future cons, but I'll happily join in on Kye's mini con at the funeral (now dubbed Kyecon 2018).
