“ On December 4, 2024 Larry McGraw joined Sandia Gun Club members (Albuquerque, NM) for a Christmas Dinner. He was a long-time member. Larry is seated on the left side center between Tyro Ortiz on his left and Henry Servatt on his right. Club President Bertie Nicholson and Erika (Malin) Barrow coordinated and prepared most of the food for the dinner. We spoke of the good times that we had together, Larry mentioned that he would be traveling home to Durant for the Holidays.

“ On behalf of the members of Sandia Gun Club in Albuquerque, New Mexico we send our condolences to the family. Larry was a long-time club member, we missed him at last night's meeting. One of his friends from the club had tried to contact him without success. It was then we discovered that he had passed in his hometown of Durant, OK. I had known Larry from the gun world since about 1992 doing custom gunsmithing for him. Competed in many shooting competitions with him. He was an excellent shot and very knowledgeable when it came to firearms. His favorite memories were driving back to Durant to go hunting with his dad right after Christmas every year until he passed. He attended our Christmas Dinner on December 4th and we broke bread with him. A good time was had by all. Vaya Con Dios my friend, until we meet again at the great shooting range in the sky.

“ Larry was a good friend all my life--other than my family he was probably the first person I knew and played with as a child. Our fathers were close friends all their lives and worked as colleagues at the First National Bank in Durant. Our grandmothers were also friends. I will miss Larry's kind and witty nature. Our many experiences, whether playing as children, Boy Scouts, family gatherings, hunting, fishing and playing sports together in High School will always be remembered by me. Best wishes to Larry's family. It is fitting that he should be laid to rest in the Caddo cemetery with his mom and dad, grandmother and other relatives. Many of my family are there as well.

“ Larry was one of God's blessings that keeps on giving. He dedicated his life to the service of others through his work at USDA..As a fellow boomer we shared many a laugh and story about how things were and how we came to be who we are. He was grounded in the Christian faith and shared it with me often, especially after my wife's passing last year.I will miss him but rejoice in the knowledge that he is with Our Lord in heaven,after a life well lived. Well Done,Larry!!!.Well done good and faithful servant. Terry McDermott

“ I remember when Larry was hired. I was the secretary handling his move and helping him get set up. He was such a sweetheart. He gave the best bear hugs. Always had something nice to say. On a work trip to Ft. Worth, all of us went to Billy Bobs. And Larry had me out on the dance floor doing the 2 step. He was one of a kind. Prayers for his family.

“ Larry was a beloved member of the RUS Team. His dedicated service to our nation made lives better for all those who live in rural America. Just as his customers lit up their hometowns, Larry brought his own light to every task. He was a strong advocate for the RUS Electric Program and for his many customers over the years. I am grateful for his service and our friendship. I will miss Larry. Sincerely, Christopher A. McLean, Assistant Administrator, RUS
