“ *Dear Jannista,  
I got to thinking about the Wood family and I saw this notice about Lee. I am so sorry for your loss. I know you do not know me but I was neighbors with the Wood family at Scott Air Force Base. I knew Lee's mom as Kay Wood. In fact, she flew from Oklahoma back to Scott Air Force Base to attend my wedding in November 1969! Lee and Jeff were the sweetest boys. Lee was always the quiet one while Jeff was always doing handstands backflips and always on the move! They were great kids. Again, I was very sad to see the notice about Lee. Just wanted to share my thoughts and let you know my connection to Lee.  
Sincerely, Cynthia Martin*

“ I will never forget Lee's 1969 forest green Firebird. It was the "IT" car when we were in high school. I got to ride in it (at 140 mph across Roosevelt Bridge), but Lee never would let me drive it. In hindsight, he made the right decision. ;). Fly high and free, my old friend.
