“ *My dad was the best dad and Grandpa in the world. I'm glad that my daughter got to know her Grandpa and what a great grandpa he was. He would always call her stinker and she loved to kick her ball to him and he kick it back to her. She also loved when she got to spend time with him and would call him on FaceTime. He always told her he was going to get her belly. We are very blessed with all the memories that we have had with him. He is gone but never forgotten. Love you so much Dad.*

“ Leon was an amazing grandpa. He nicknamed me cornbread when I was little because he had a hard time remembering my name I think haha. I wish I could've had more time with him but I know that he's no longer in pain and he's in a better place now. He was so loved by everyone and will be very very missed by all of us.
