“ If I could describe Red in one word, it would be 'kindness.' he had this incredible gift of lifting everyone's spirits in the room. He wasn't just a good man, he was the kind of friend that showed up and listened and always left you laughing. The world feels a little quieter without his humor, but I'm so grateful for the time that we had. I'm am so sorry for your loss. He was a truly special person who left a lot of light behind. Rest easy my friend.
