“ *My deepest sympathy to Leslie's family, especially his mother Marie Jackson. I got to know Leslie while working at Durant Indian health clinic. He was such a caring and thankful man. He was so pleasant and always had kind words to say. I know he will be missed by those that knew him. Phyllis Dodd and family.*

“ I remember growing up together in Kenefic, My favorite memory of Leslie was seeing him Baptized. He was so happy that day. I know God has him wrapped in his arms giving him a huge hug and showing him so much love. I do know Leslie was a wonderful loving Son and Brother. You will be missed tremendously.
