“ *Levi ran around with my grandson and was always coming by with him. I thought of him as one of my grandsons. When he was in a school activity, he would bring his clothes to me and say "Meem would you iron my shirt and pants. He was a joy to know and so glad I did. Will miss him and his ready smile. Love you big guy. Jo Ann Coker (Meem)*

“ *Levi was my son JJ's best friend! Those two boys played and got into everything! I remember Levi's smile! Most of the time he had a smile on his face! It's been several years since I have visited with Levi but that doesn't change the love that I had for him while he was growing up. My heart aches for his mom and dad & siblings and wife and young son. You my dear were one heck of a kid and I bet you were a hell of a man! You will be missed. Rest in peace kiddo!*
