“ *I miss you so much my loving husband. We had 48 wonderful years together. Its so hard with out you. I miss you so much. I didn't realise that a piece of me would be missing. The grand kids are just torn and Little Emma Shay will be turning a year old Aug 22 and I wish you could be here to share cake and ice cream with her. I know you will be looking down on us tomorrow while we celebrate her special day. I love you with all my heart and its so hard right now it seems as if you have taken a trip and are going to be coming back home even though I know your not. I am flooded with so many good memories, but right now it hurts. I know you will be looking down on me and seeing I am alright. You told me to stay strong and I am trying hard.*

I Love you Levi and I always will your my heart and soul and no one can take that away from me.

“ Aunt Evaline & family, I know that your heart is breaking like ours but Uncle Levi is in a much better place and he is never going to have to suffer ever again. He was a very special man and was loved by many. he is the reason I am with my loving husband now. He introduced us and the rest is history. Uncle Levi was full of stories that everyone loved to hear and always loved to pull jokes on everyone that is what made him the man he was. We will all miss him so much but will always have his memory in our hearts. He is with our Lord Savior now who will keep him safe forevermore. All our Love and prayers are with you all. Love always, Karrey & Cloyce & families, Nadine Garrison, & Larry & Phyllis Garrison & families

“ Uncle Levi,

You will be greatly missed. You were a very special uncle and we will never forget you. I enjoyed our last visit. You fought a long hard battle, but you were still smiling and cracking a joke.

Rest In Peace.
