“ *Ms. Sharon- I am so very very sorry and heartbroken to hear of Lillie's passing. She was always just the nicest woman to be around. She was sure missed by us when she went to Denison. And we sure missed seeing you as well !! She always had a sweet smile on her face no matter what and that is what I remember and will always hold dear in my heart about her. God Bless and comfort you always when you are in need. And your family as well.*

“ *My heart and love are with all the family today. Lillie was such a good person, even as a kid. We had fun playing everytime we visited. Prayers that my sweet cousin is resting in peace in heaven with many loved ones!*

“ I must say, although I didn't know Lillie personally, she was always so friendly to me at the Deli. Even when we would run across each other at Wal Mart she would acknowledge me and we would joke about being unfaithful to her other store. She just always went over and above her duties to be helpful to me. Her family will be in my prayers and I give you "Thanks" for sharing her. May God bless you all in the days to come.
