“ My heart along goes out to all of you my extended family. I always felt as Kay being my sister. We shared many great memories over our lives. Kay, your Mother had a great Soul and full of love, she would do anything for anyone without a complaint. She will always be remembered each day of my life with love and peace, she brought to this world three wonderful children whom she was so proud of. Kay loved the Lord and his words, she was filled with the Holy Ghost, we experienced this many times over our lives. May God bless her soul greatly in Heaven.
