“ *Lisa the world will be less bright because your smile is not here to help light the world. You will be missed but you will remain in my heart until I see you on the other side. Take care of My Dad and Uncle Walt until I get there. I know you are in a better place.*

“ *To Randal, KC, and Lisa's Parents,*

As fellow Silo students, it was a privilege to know Lisa for over a decade. She blessed us in many ways- from cheering Michael on at high school basketball games to encouraging me as I opened a new business. She always took time out of her day to uplift others. I truly appreciate all the support and friendship she provided us throughout the years. Her kind spirit and bright smile will never be forgotten. Our deepest condolences to her family and friends.

Praying for you all,

Michael & Stephanie Gardner

“ Lisa was an amazing lady and touched many lives. She had a big heart and was always thinking of others. She became like a family member to everyone at Durant Physical Therapy. She remembered every birthday, wedding, upcoming delivery, hardships, and always had kind words during heartbreaking moments. She was friend to everyone and had a smile that would brighten any room. While our hearts are heavy with her passing we are all very blessed to have a special angel like Lisa shining down on each of us. Randy, KC, Kathleen, & Charlie we pray for peace, comfort, and understanding in the days ahead.

“ We were in each other's lives for 19 years...10 of those because I was married into your awesome family. For the last 9 we'd joke that I got to keep Lisa and Randy in the divorce. Lisa was the most amazing loving supportive person. She didn't judge and was quick to accept a person at face value. Lisa I love you.....RIP
