“ *Lisa was assigned to me as a student teacher. I mentored her for 2 years. She loved her students and always sought to do what was best for them. I enjoyed Lisa and loved her sweet laugh. She adored her own children and wanted the best for them. I know she is now at peace.*

“ Janet, Jerry and Family,
We understand the pain you have and are praying that God gives you strength during this painful time to see the love that friends and family have for you and Lisa. It seems like only yesterday (It was 1975) she told Dot and I that she was in love with John she was every bit of 6 years old.
We love you.
