“ *Lisa was an inspiration to so many of us at Advanced Care Medical Equipment, and her journey and faith was unquestionable. As her boss for over the past 11 years, I can truly say that she was a joy, a pleasure and a honor to work with her. She always had kind words to share each day and I watched her encourage patients and staff members, even when she was sick and her body with the battle of cancer. Something about Lisa, that our staff look forward to seeing her walk through the doors each day.*

Such a beautiful spirit she possessed and will be a person that will truly be missed, but her inspiration she left on us will last for our lifetime.

*God bless her family,
Larry and Pamela Dalton*
